

Mondopad Ultra

Introducing our premium touchscreen series

Whether you need to connect with one person or bring your team together, Mondopad Ultra is the powerful, no-compromise solution for companies who need to work better, faster and smarter.

The Best Just Got Better

Mondopad Ultra brings high performance collaboration tools to business and enterprise—anywhere, anytime.

- Connect global enterprise infrastructures & employees
- Make every meeting or presentation more effective and engaging

Mondopad Ultra features vivid 4K resolution for an incredibly sharp picture, and our most powerful processor for high demand applications and information security.

New in Mondopad Ultra:

- 4K resolution in our largest panel sizes for amazingly life-like images
- Powerful Intel Core i7-6700T processor and Q170 chipset with Intel vPro™ technology
- 256 GB solid state hard drive

Plus native HD video calling and data sharing, interactive whiteboard and on-screen annotation, & BYOD capability.
